**Transmittal Letter for Submission of Corrected Documents**

Applicants hereby submit the enclosed documents to supplement their divisional patent application filed on November 24, 2003.

After filing, minor errors to the PTO address, check amount and continuity data were noted. Because Applicants expect that related pending Application No. 10/223,160 will be issued shortly, Applicants now submit the enclosed Corrected Data Sheet, and Supplemental Request for Divisional Application Sheet without further delay. Kindly note that Applicants have previously submitted Corrected documents on December 5, 2003, prior to receipt of the serial number. However, and most likely due to the confusion caused by the missing serial number, the supplemental documents received separate serial number. For clarification, Applicants hereby submit the enclosed corrected documents again with the serial number assigned to the application as set forth on the stamped postcard receipt.

Kindly note that although the amount calculated in the first Request was in error, the check previously submitted reflected the correct fee of \$471.00. No additional fee is believed to be necessary. However, The Commissioner is hereby authorized to charge payment of the following fees associated with this communication or credit

any overpayment to Deposit Account No. 13-3405.

Respectfully submitted,  
SCHNADER HARRISON SEGAL & LEWIS LLP
